reassesses lincoln s civil liberties record and examines his responses to particular wartime problems

if abraham lincoln was known as the great emancipator he was also the only president to suspend the writ of habeas corpus indeed lincoln s record on the constitution and individual rights has fueled a century of debate from charges that democrats were singled out for harrassment to gore vidal s depiction of lincoln as an absolute dictator now in the pulitzer prize winning the fate of liberty one of america s leading authorities on lincoln wades straight into this controversy showing just who was jailed and why even as he explores the whole range of lincoln s constitutional policies mark neely depicts lincoln s suspension of habeas corpus as a well intentioned attempt to deal with a floodtide of unforeseen events the threat to washington as maryland flirted with secession disintegrating public order in the border states corruption among military contractors the occupation of hostile confederate territory contraband trade with the south and the outcry against the first draft in u s history drawing on letters from prisoners records of military courts and federal prisons memoirs and federal archives he paints a vivid picture of how lincoln responded to these problems how his policies were actually executed and the virulent political debates that followed lincoln emerges from this account with this legendary statesmanship intact mindful of political realities and prone to temper the sentences of military courts concerned not with persecuting his opponents but with prosecuting the war efficiently in addition neely explores the abuses of power under the regime of martial law the routine torture of suspected deserters widespread antisemitism among union generals and officials the common practice of seizing civilian hostages he finds that though the system of military justice was flawed it suffered less from merciless zeal or political partisanship than from inefficiency and the friction and complexities of modern war informed by a deep understanding of a unique period in american history this incisive book takes a comprehensive look at the issues of civil liberties during lincoln s administration placing them firmly in the political context of the time written with keen insight and an intimate grasp of the original sources the fate of liberty offers a vivid picture of the crises and chaos of a nation at war with itself changing our understanding of this president and his most controversial policies

how does history end the red queen will to power economics outside the corridor allegory of good government the european scissors mandate of heaven broken red queen devil in the details what s the matter with ferguson the paper leviathan wahhab s children red queen out of control into the corridor living with the leviathan

in a novel approach that the author terms symbolic paradigm analysis paradise and paradigm offers a theoretically modular systematic comparison of two persian religions early syriac christianity as the foundation of the east syrian church of the east the nestorian church of persia and the baha i faith a new world religion the author compares the hymns of the greatest poet of early christianity saint ephrem the syrian and the richly imagistic writings of the founder of the baha i religion baha u llah the book employs an original analytic technique in the creation of symbolic profiles constructed on ninian smart s dimensional model of religion as buck skillfully demonstrates formal similarities between any two religions are best comprehended in terms of paradigmatic differences which nuance all parallels through a process of symbolic transformation buck also shows the communal reflexivity of paradise imagery in representing the ideal faith community in both traditions

extraordinary justice seeks to fill an important gap in our understanding of what military tribunals are how they function and their relative successfulness in rendering justice in the extreme conditions occasioned by war by placing them in comparative and historical context peter judson richards examines the tribunals as a national response to the incidents of war in four conflicts the american civil war the british experience in the boer war the french practices of the first world war and the allied measures of the second world war richards also considers the larger political legal and military context addressing the scholarly and policy debates that invariably arise with the implementation of these extraordinary measures while acknowledging the mixed record of the national tribunals he concludes that enduring elements in the character of warfare of justice and the nature of political reality together justify their continued use book jacket
